

Microblading Pre-appointment Advice

DO NOT consume alcohol for 24 hours prior to appointment

DO NOT pluck, wax, thread or tint your brows prior to treatment

AVOID Botox or fillers for 2 weeks before or after treatment

DO NOT consume drinks containing caffeine on the day of treatment

DO NOT apply skin peels or retinol to the skin for a minimum of 2 weeks before treatment

DO NOT take Aspirin or Ibuprofen for 48 hours prior. Please advise of any other medication you are taking BEFORE the treatment.

Please do call to discuss any questions or concerns you may have regarding your treatment, our therapists are well informed and here to help you.
